

MID-CENTURY MODERN

PLATE FOURTEEN

Clerestory Split-Level

*A practical solution wearing a stylish hat: that band
of high windows lights the interior without
sacrificing wall space below for furniture or privacy.*

The next page is yours to print and color.

WHEN YOU'VE FINISHED

Send it back to us. Photograph or scan it in good, even light, shot straight down — the whole page, all four edges, nothing cropped off. Every page that comes in gets looked at properly.

linesofsteele.com/submit

The ones that stop us in our tracks go up on the site, on Pinterest and on TikTok — with your name or handle on them. Scanning? Choose Color mode; the black-and-white document filter will flatten your work. Tag #LinesOfSteele
